# FROM THE DESK OF Chris Carter, Head of School

October 11, 2018

Dear Parents,

It's hard to believe that today is the end of the 1st quarter of the year! I am so pleased with how well things have gone and how much your children have already learned and grown this year!

Today a large group of Middle School students and parents traveled to Washington, DC. Over the course of the break they will tour the monuments and museums of our nation's capital; I know they are having a great time and learning about what it means to be an American. Please pray for safe travels for all of them!

Earlier this week you received an invitation to participate in the 2018-19 Annual Fund. I want to thank alumna and preschool teacher Blain Coady and Annual Fund Chair Jamie Eagles for the thoughts they shared in their letters to

the community. Please join Blain, Jamie, me, the School Board, and the Faculty and support St. Mark's by giving to the Annual Fund. The purpose of the Annual Fund is to make up the gap between what you pay in tuition and the actual cost of educating your child. If we charged that actual cost in tuition, your tuition would be \$730 dollars higher—please consider paying that gap or whatever portion of it you can! Our goal is 100% family participation. We can't do it without you!

I do hope you all have a wonderful Fall Break. Enjoy some time to relax and we will see you back next Tuesday when we continue to pray, play, and learn in the 2nd quarter!

Warmly,

Chris Carter, D.Min  
Head of School.
