# St. Mark's *Mission*

The mission of St. Mark's Cathedral School is to value the individual who comes to us, to help that student to realize his or her potential, and to foster a culture that reflects Christian values, intellectual curiosity, and a strong work ethic. Our goal is to develop a student who feels self-confident educationally, socially, and spiritually, who can reach out to help others in our community.

# Message From The *Head of School*

Dear Parents, Grandparents, Alumni, Faculty and Friends of St. Mark's Cathedral School,

The 2021-2022 school year was a year of highs and lows as we found ourselves unhappily returning to pandemic protocols and frequently having to reset our expectations. Nonetheless, the overall arc of the year was toward normalcy, and we had a very packed spring season as we returned to field trips, special events, and made up for two "lost" Grandparents' Days. But regardless of how Covid was affecting us, our St. Mark's families and friends were generous and supportive. The Lions Fund, which consists of both the Annual Giving Campaign and Parents' Club fundraising earned over \$300,000 to support our St. Mark's students and teachers.

The Annual Giving Campaign consists of unrestricted gifts to the school to support general operations. This money helps fill the gap between tuition revenues and the actual cost of educating our students. Thanks to donors, representing both current and alumni families and 100% of the faculty, the 2021-2022 campaign raised \$139,792 towards the school's operational budget. It is impossible to overstate how important the Annual Campaign is to our school or to adequately express our gratitude.

Our St. Mark's Parents' Club had an equally successful year, raising over \$160,000 in sponsorships and another \$60,000 from Fiesta and other fundraising events. That money was reinvested in the school with funding for computers, SMART Boards, classroom furniture, picnic tables, professional development, and so much more! The Parents' Club is now engaged in plans for new paint and flooring in the school hallways as well as redecorating the entrance space of the main office.

The Parents' Club also joined the School Board in making combined payments of \$140,000 toward the debt on the construction of the Little School. Thanks to those contributions and the very generous gifts of a number of parishioners, the Little School construction loan has been fully extinguished. This is truly a cause for celebration!

Finally, I want to thank our 8th grade parents whose graduation gift to the school included the addition of shelving and seating areas in the alcoves of the middle school hallway, as well as a portable sound system and new basketballs for P.E. Our middle school students immediately benefited from each of these gifts.

To all our donors and volunteers, thank you for giving selflessly to St. Mark's Cathedral School! Each of you helps us to fulfill our mission of helping each child meet his or her potential and fostering a culture that reflects Christian values, intellectual curiosity, and a strong work ethic. St. Mark's is truly a special place for our students and teachers, and we are blessed by the support of all our community!

Gratefully Yours,

Chris Carter, D.Min.  
Head of School

# Message From The *Annual Fund Chair*

Dear St. Mark's Family and Friends,

Thank you all for another successful Annual Fund campaign. Annual giving is the lifeline of our school. We depend on the financial support from our alumni, friends, grandparents, and parents to keep our school financially strong. Our students, teachers, and staff benefit from your generosity. Your gift primarily covers the gap between tuition and the true cost of educating a St. Mark's student. Year after year our goal is to have 100% participation. The budgeted goal was \$125,000 and we raised almost \$140,000 with 72% participation. We are so extremely grateful to all of our donors for supporting our school.

Sincerely,

Emily Smithwick  
2021-2022 Annual Fund Chair
