

2018-19 Annual Report

The Wission of St. Mark's

The mission of St. Mark's Cathedral School is to value the individual who comes to us, to help that student realize his or her potential, and to foster a culture that reflects Christian values, intellectual curiosity, and strong work ethic. Our goal is to develop a student who feels self-confident educationally, socially, and spiritually, and who can reach out to help others in our community.

Message from the Head of School

Dear Members of the St. Mark's Cathedral School Community,

On behalf of the Board of Trustees of St. Mark's Cathedral School, I take great pleasure in presenting the 2018-19 Annual Report. Throughout this past year, the students of St. Mark's have prayed, played, and learned every day in ways that are developmentally appropriate. In May we graduated 36 fine young men and women who will make their marks in high school and beyond through their preparation and confidence and their readiness to serve their communities.

In May we also bid adieu to five long-serving career educators who now look forward to much-deserved retirements. Mr. Cosey (8th English), Ms. Ellington (5th), Miss Robin (Preschool), Ms. Fontaine (P.E.), and Mme Bradley (French/MS Director) collectively offered almost 119 years of service to St. Mark's and almost 200 years of teaching children in Louisiana. We owe them all a huge debt of gratitude for their careers and the number of lives they have touched!

I am equally grateful for the tremendous support offered to the school by our parents, both through the work of our Parents' Club and through individual donations to the Annual Fund. The Parents' Club sponsored three major fundraisers this year—the Paw Print Sprint, Christmas Greenery, and Fiesta. Each was wildly successful, enabling the Parents' Club to raise over \$100,000 this past year, and all that money went right back into programs and materials for students and teachers, including textbooks, professional development, new fire doors, and technology. Three hundred thirty-three parents, grandparents, alumni, and friends contributed to the Annual Fund, which helps cover the gap between tuition and actual expenses. Thank you to each and every donor! Your generosity ensures our financial sustainability and guarantees the mission and ministry of St. Mark's Cathedral School for future generations.

St. Mark's parents are as generous with their time and talents as they are with their treasures. The faculty and I are so very grateful to all who have volunteered in any capacity, whether as a field trip driver, homeroom mother, committee chair, carpool volunteer, or any of the many ways that make such a difference for our students and further the partnership between parents and teachers. There are too many parents who contribute in so many ways for me to name you all, but please know how much we appreciate you!

Even as we give thanks for your generosity and the many accomplishments of this past year, we have embarked upon another, and we are excited about all that lies ahead of us as our children pray, play, and learn in this school year. With gratitude for your children and to each of you, I am

Faithfully Yours,

Chris Carter, D.Min. Head of School

Message from the Annual Fund Characteristics (Market Market)

Dear St. Mark's Family and Friends,

Because of you, the 2018-19 Annual Fund went above and beyond our anticipated goal. This would not have been possible without the generosity of the SMCS parents, grandparents, family, friends, and students. Thank you!

The Annual Fund plays such a vital role in the financial stability of our school. Your contributions help close the gap between tuition and the actual cost of giving a child a St. Mark's education. The Annual Fund directly impacts our children and prepares them to be successful at the next level. It also helps give our teachers advanced educational development opportunities and ensures that our children enjoy the latest and greatest technology.

We believe in the St. Mark's education and the strong foundation that it has provided our daughters and the many other children that have been blessed by attending our school. Thank you for your generosity!

Sincerely,

Jamie Eagles 2018-2019 Annual Fund Chairman

Katherine and Jamie Eagles

2019 St. Mark's Fiesto

Fiesta Chairs: Katharine Knicely, Megan Campbell, Ellen Erwin

"Let's Fiesta" was the theme of the largest Parents' Club annual fundraising event. Mexican food and top shelf margaritas were provided by East Ridge Country Club, and party-goers danced the night away to the musically talented band, Windstorm. Foster Orthodontics snapped the memories with their photo booth, and Patrick Netherton led the live auction. Parents ended the night gathering their silent auction items and cashing out on all the Fiesta fun!

Congratulations to the Gautreau family for winning the free tuition raffle and to the PS2 teachers for winning the teacher beach trip raffle donated by the Henry family.
